Under Federal Government Regulations, there are restrictions on superannuation funds being able to accept certain contributions from and on behalf of members aged 65 years and over.

Where a member reaches age 65 years and AMIST Super receives contributions from or for you, we are required to verify that you are gainfully employed in order to accept those contributions. In order to be gainfully employed you must have worked (be employed or self-employed for gain or reward in any business, trade, profession, vocation, calling, occupation or employment) at least 40 hours in a period of 30 consecutive days during the financial year that the contribution relates to. You will be required to provide a fresh certification every twelve months.

By completing this form you are certifying whether or not you can be considered to be gainfully employed under the Regulations.

Please note that if you cannot answer "Yes" to the question in Section 2, or do not return this form, AMIST Super will not be able to accept certain types of contributions for or from you. Please note that no contribution can be accepted after age 75 years, unless it is compulsory for an employer to make the contribution under an Award.

For details of restrictions on contributions please refer to the AMIST Super Product Disclosure Statement which can be downloaded from our website: www.amist.com.au Alternatively you can obtain a copy by calling our member hotline on 1800 808 614.
