

5 ways to get your super sorted.

There are lots of ways to make your super grow, but here's the top five.

Put as much money into your super as you can.

Even \$20 per week will make a big difference over time.

Put it all in the one fund.

Multiple funds could mean you're wasting money on fees.

Choose the investment option that suits you.

Get involved with your super, it's YOUR money.

Review your insurance.

Make sure you're completely covered.

Get some advice on all of this and more.
